

Hazel.

Dirty blonde hair
I would be ashamed
to be seen with you anywhere
Deadmans walk
She begs
He watches
An issue dweller
Cradles his habit
I can help her
If it helps him
he's lucky.
He cradles his habit
She feeds it through begging
He should lose his habit
She should lose him
She eighteen
He thirty four.
Him habit
She meal ticket
Electra complex
Her feeding his habit.
