

## Left Side Right Side Brain II

Jim's back  
He looks rough  
Feet are rotting  
Wants to join the Freemason's again  
Thinks we can introduce him.  
His father is coming to visit  
but never arrives  
The devil threatens Jim  
Don't talk ouija  
His mother's a witch

These days he looks like Gollum  
Top of Mt. Doom.  
And for his own safety  
He was committed  
Everyone could say  
"Severely challenged by  
his own behaviour."  
Damaged.
